

Much Wenlock Town Council

COMMUNICATIONS STRATEGY

OBJECTIVE

This Communications Strategy aims to establish a protocol for effective communication of the Town Council's activities and other relevant information to **the media and** members of the public.

PURPOSE

The Town Council is accountable to members of the public and has a duty to convey its decisions and actions through various media. To this end, all communication will be conveyed in an open and straightforward manner.

The Town Clerk is the Proper Officer of the Town Council and is responsible for **all** formal communication between the Council, the press and members of the public. However, this **policy does not seek to regulate individual councillors in their private capacity and** does not prevent **them** individual councillors from communicating with the press and public, but they must ensure that there is clarity in their communication so there is a clear distinction between individual opinions and those approved by the Town Council. **Councillors who wish to communicate directly with the press should make it clear whether they are speaking as a councillor or as a private individual. On no occasion should councillors make public announcements without the knowledge of the Town Clerk if they are speaking on behalf of the Town Council.**

SOCIAL MEDIA

The Council's website will be the main information hub and channel for communicating details about the Town Council. The website will also act as a channel for other information such as local news and events, consultation details, road closures and anything that is of general interest to the local community including links to other websites. The website will be regularly updated.

Facebook and Twitter will also be used; their main objective to promote Much Wenlock and encourage visitors to support the local economy. This media will help to build social capital so that there is a two-way channel between the Town Council and members of the public.

A member of staffs private Facebook account must not be used to administer, log in or send messages from the Town Council's social media sights. A specific Council work-use account must be used at all times.

Whilst the Council supports open discussion inappropriate comments from members of the public will not be tolerated and will be removed and the reason given. If it is a genuine complaint the complainant will be directed to the Council's Complaints Procedure which can be viewed on the Council's website **or available from the Town Clerk.** Comments and enquiries will only be responded to during normal office hours. **Personal information should not be conveyed through social media.**

Whatever channel the Town Council chooses to communicate the message must be consistent across all channels.

COMMUNITY ENGAGEMENT

Through a positive and transparent approach Councillors and staff will actively engage with the community and the local media to promote the Council's decisions and plans. The Town Clerk will work with the Mayor, Deputy Mayor and appropriate chairs of Committees and sub-Committees to agree the content of pertinent information where necessary.

Councillors who wish to communicate directly with the press **and public, either orally, or via their own personal email or social media accounts,** should make it clear whether they are speaking as a Councillor or as a private individual. If Councillors wish to express their own views directly with the media they should not seek to undermine the Town Council if their views are different to the Council's corporate position. If Councillors wish to take this course it might be prudent to seek a briefing with the Town Clerk beforehand. No communication should be made that is in any way damaging to the interests or reputation of the Town Council or which reveals confidential matters, or information likely to endanger the health or safety of a Councillor, Town Clerk, or any other individual.

Agendas for Council meetings will be accompanied by sufficient supporting information to enable councillors to make informed decisions and for a reasonable member of the public to understand. Confidential information will be excluded. Agendas will be issued as hard copies and will be posted or hand delivered so that they are received by councillors at least 3 clear days before **all** meetings of the Council. All councillors will also receive agendas by email and those councillors who have specifically asked will receive supporting information by email instead of a hard copy.

Supporting information will also be published on the Council's website at the same time as the agenda to which it relates. Minutes for all Council meetings will be published on the Council's website as soon as they have been drafted.

The Town Council's Standing Order no: 21(a) states that requests from the press or other media for an oral or written comment or statement from the Council, its councillors or staff, shall be handled in accordance with the Council's policy in respect of dealing with the press and/or other media (this strategy). The Council will co-operate with the media and others seeking information on the Council's activities or ambitions.

The Town Clerk is solely responsible for the preparation of notices of Council meetings, agendas and minutes and for the development and maintenance of the Council's website so that it remains current.

All correspondence addressed to the Town Council will be actioned by the Town Clerk. Information that needs to be considered by the Town Council, or one of its committees, will be placed on the first agenda after its receipt. Other relevant information will be emailed to Members in between meetings for information only.

REQUESTS FOR INFORMATION

Council information will be made available to members of the public in accordance with the Council's adopted 'Publication Scheme'.

In compliance with Standing Order nos: 20(a) and 20(b) requests for information held by the Council shall be handled in accordance with the Council's policy in respect of handling requests under the Freedom of Information Act 2000 and the Data Protection Act 2018.

Correspondence from, and notices served by, the Information Commissioner shall be referred by the Proper Officer to the Council. The Council shall have the power to do anything to facilitate compliance with the Freedom of Information Act 2000.

In accordance with Standing Order no: 11 neither the Town Clerk, nor councillors, will disclose confidential information that is exempt under the Freedom of Information Act. The agenda and its supporting papers, and the minutes from a meeting where confidential or sensitive information is discussed, shall not disclose or otherwise undermine such information which, for special reasons, is not in the public interest.

The Council will continuously implement improvements to its communications work through renewal and enhanced use of its website, social media and digital approaches to sharing information alongside making hard copies available. Transparency will be maintained at all times.
