

Much Wenlock Housing Figures and Completions

Briefing from E West, Interim Planning Policy and Strategy Manager Shropshire Council

27th July 2020

In terms of the housing figures, the proposed 200 dwellings for Much Wenlock is over the 22 year period 2016-2038. We therefore need to assess the levels of housing completions and commitments made during the period from 2016, which then informs how much land we are actively planning for over the remainder of the period. This information is contained within Appendix 5 of the Draft Local Plan which will be subject to consultation from Monday, 3rd August to Wednesday, 30th September, but for ease this can be broken down as:

Completions in Much Wenlock between 2016-2019 (2019 is the last fully monitored year) – **32**

Number of dwellings with planning permission or prior approval 2016-2019 – **21**

Number of dwellings proposed through Local Plan allocations 2016-2038 – **120**

Proposed 'windfall' allowance over the plan period - **27**
