It was **PROPOSED, SECONDED and AGREED** that the Town Clerk's report be **NOTED**.

**8) Finance**

- a. The RFO presented a written and verbal report.

The internal audit and year end accounts had recently been completed and some changes had been made to enable day to day operations to continue. Prior to lockdown two councillors would come into the office to check invoices and sign cheques. Due to the restrictions in place, the RFO now scanned invoices, which were sent by email to two Councillors. The Councillors replied by email and payments were then put onto Unity Trust Bank and the direct transfers were authorised by two Councillors. The RFO expressed her thanks to Councillors for their prompt responses in dealing with payments. She had found that the revised system was helpful in terms of cash control and cheaper in terms of postage. It was also an improvement in terms of staff time and resources and the month end accounts could be completed more easily.

No separate income report had been prepared as the Council's income was much reduced due to the reduction in income from market traders.

The Council's telecoms provision had been transferred from BT to Invoco. There was now a fixed rate with no additional call charges, which should result in a reduction in expenditure on telecoms.

The RFO was very satisfied with the year-end accounts service provided by Rialtas, which she would recommend for next year.

Payment had been made for the Gaskell drainage, path and new access from the school. The first tranche of the LEADER funding had been received and a second claim would be made in August.

It was noted that there had been more interments than expected and cemetery fees received were over budget. It was agreed to review cemetery charges at the next meeting.

If the Gaskell expenditure were taken out of the budget, there was an underspend of 24% against budget for this stage of the year.

Members **NOTED** the report and thanked the RFO for its clarity.

- b. Members **NOTED** the balance sheet as at 30<sup>th</sup> June 2020.
- c. Members **NOTED** the income and expenditure to 30<sup>th</sup> June 2020.
- d. Members reviewed the bank reconciliations to 30<sup>th</sup> June 2020. It was **PROPOSED, SECONDED and RESOLVED to approve the bank reconciliations to 30<sup>th</sup> June 2020.**  
The RFO was asked to review the distribution of the Council's funds between financial institutions to ensure funds were adequately protected.
- e. **It was PROPOSED, SECONDED and RESOLVED to approve payments from 5<sup>th</sup> June 2020 to date.**  
Councillors queried the monthly gas bill for 10 High Street and noted the high standing charge.  
There was also a query regarding council tax on the Mary Webb meeting room. This had previously been a stand-alone office with a tenant. It was noted that if a review were requested, this would have to encompass all of the Town Council's property, which could result in an increase in charges. It was agreed to consider this matter further at the next meeting.

#### 9) Barclays Bank Debit Card

It was **PROPOSED, SECONDED and RESOLVED to approve the provision of business debit cards for the Barclays current bank account for the Clerk and RFO.** It was noted that restrictions would be in place on use of the card.

Quotations were also being obtained for the repair and redecoration of the front of the building.

Cllr Whiteman joined the meeting

#### 13) Anti-Pigeon Measures for the Guildhall

Members noted concerns about the pigeons roosting on the Guildhall, causing damage to the building and mess on the building and pavement below. It was noted that the removal of the Christmas lights and the pigeon spikes in place had not prevented the pigeons perching.

It was **PROPOSED, SECONDED and RESOLVED to obtain professional quotations for hawking and other measures to deal with the pigeons.**

#### 14) Corn Exchange – Use of Market Area

The Mayor had held further discussions with traders regarding the use of the market area under the Corn Exchange for outdoor seating. - a. Councillors noted that the public toilets in Queen Street had re-opened on 13<sup>th</sup> July 2020, following cleaning and the display of signage by Healthmatic. There had been significant problems with the standard of cleaning initially and the Clerk was in discussions with Healthmatic to ensure these were addressed satisfactorily.
- b. It was noted that measures were being put in place to allow the re-opening of the Guildhall.
- c. It was noted that messages from central government were mixed regarding a return to the workplace. The Council's administrative staff had been home based since 25<sup>th</sup> March. Councillors noted the difficulties of prolonged working from home for employees, including personal circumstances, available equipment, communication and reduced efficiency.
