Poaching, including hunting with dogs, remains a problem in the area and we would encourage anyone seeing suspicious behaviour, such as vehicles parked and unattended in field entrances or in isolated lanes, lights in fields at night or groups of males with lurcher type dogs, to report this to police on 101. Whilst we appreciate your call may not always generate police attendance, the information you supply is invaluable in building up patterns of behaviour which will lead to a more targeted approach from our Rural Crime Officers. As a result of information from rural communities we have recently been successful in obtaining two Community Protection Notices against known poachers effectively banning them from entering the County Of Shropshire. This would not have been possible without the assistance from the public. You can also contact our Rural Crime Officers direct via email [ruralcrime@westmercia.pnn.police.uk](mailto:ruralcrime@westmercia.pnn.police.uk) to discuss issues or you can report incidents free and anonymously via Crimestoppers on 0800 555111.

Damage has been caused to the Hay Cop nature reserve and to the Birch Meadow Playing Field, **Broseley**, over the last month. If anyone has any information regarding the damage caused the SNT can be informed via the below contact details.

Reports of ASB in **Much Wenlock** this month –two reports of vehicles being driven in an anti-social manner. Also a stray fire-work caused a fire in a front garden, destroying shrubs and required the attendance of the Wenlock fire crew. Enquiries ongoing.

My name is Sergeant Kate Øen and I am due to join the Bridgnorth SNT on 15/03/2021. I am very much looking forward to joining the team and meeting the local community.

I have been a police officer for nearly 11 years and have worked across the Shropshire area. My career with West Mercia Police has spanned a variety of roles which include; Response Policing, Child Sexual Exploitation, Domestic Abuse and also Professional Standards. I hope that I can use my knowledge and experience to deliver a high quality service to the public. I look forward to working with you all.
