## Consideration of proposals by authority

- 5 (1) A local planning authority may decline to consider a proposal submitted to them if they consider that it is a repeat proposal.
- (2) A proposal (“the proposal in question”) is a “repeat” proposal for the purposes of this paragraph if it meets conditions A and B.
- (3) Condition A is that in the period of two years ending with the date on which the proposal in question is received—
- (a) the authority have refused a proposal under paragraph 12 or section 61E(8) that is the same as or similar to the proposal in question, or

- (4) Condition B is that the local planning authority consider that there has been no significant change in relevant considerations since the refusal of the proposal or the holding of the referendum.
- (5) For the purposes of this paragraph “relevant considerations” means—
- (a) national policies and advice contained in guidance issued by the Secretary of State that are relevant to the draft neighbourhood development order to which the proposal in question relates, and
  - (b) the strategic policies contained in the development plan for the area of the authority (or any part of that area).

  - (d) whether the body has complied with the requirements of regulations made under paragraph 4 imposed on it in relation to the proposal.
- (3) The authority must also consider whether the draft neighbourhood development order complies with the provision made by or under sections 61E(2), 61J and 61L.
- (4) The authority must—
- (a) notify the qualifying body as to whether or not they are satisfied that the matters mentioned in sub-paragraphs (2) and (3) have been met or complied with, and

  - (b) such other documents as may be prescribed.
- (3) The authority must make such arrangements as they consider appropriate in connection with the holding of the examination.
- (4) The authority may appoint a person to carry out the examination, but only if the qualifying body consents to the appointment.
- (5) If—
  - (a) it appears to the Secretary of State that no person may be appointed under sub-paragraph (4), and
  - (b) the Secretary of State considers that it is expedient for an appointment to be made under this sub-paragraph,

the Secretary of State may appoint a person to carry out the examination.
- (6) The person appointed must be someone who, in the opinion of the person making the appointment—
  - (a) is independent of the qualifying body and the authority,
  - (b) does not have an interest in any land that may be affected by the draft order, and
  - (c) has appropriate qualifications and experience.
- (7) The Secretary of State or another local planning authority may enter into arrangements with the authority for the provision of the services of any of their employees as examiners.
- (8) Those arrangements may include—
  - (a) provision requiring payments to be made by the authority to the Secretary of State or other local planning authority, and
  - (b) other provision in relation to those payments and other financial matters.
- 8 (1) The examiner must consider the following—

  - (g) prescribed conditions are met in relation to the order and prescribed matters have been complied with in connection with the proposal for the order.
- (3) Sub-paragraph (2)(b) applies in relation to a listed building only in so far as the order grants planning permission for development that affects the building or its setting.
- (4) Sub-paragraph (2)(c) applies in relation to a conservation area only in so far as the order grants planning permission for development in relation to buildings or other land in the area.
- (5) In this paragraph “listed building” has the same meaning as in the Planning (Listed Buildings and Conservation Areas) Act 1990.
- (6) The examiner is not to consider any matter that does not fall within subparagraph (1) (apart from considering whether the draft order is compatible with the Convention rights).
- 9     (1) The general rule is that the examination of the issues by the examiner is to take the form of the consideration of written representations.
- (2) But the examiner must cause a hearing to be held for the purpose of receiving oral representations about a particular issue at the hearing—

  - (6) In making decisions about the questioning of a person’s oral representations by another, the examiner must apply the principle that the questioning should be done by the examiner except where the examiner considers that questioning by another is necessary to ensure—
    - (a) adequate examination of a particular issue, or
    - (b) a person has a fair chance to put a case.
  - (7) Sub-paragraph (5) is subject to regulations under paragraph 11.
- 10 (1) The examiner must make a report on the draft order containing recommendations in accordance with this paragraph (and no other recommendations).
- (2) The report must recommend either—
- (a) that the draft order is submitted to a referendum, or
  - (b) that modifications specified in the report are made to the draft order and that the draft order as modified is submitted to a referendum, or

- (5) If the report recommends that an order (with or without modifications) is submitted to a referendum, the report must also make—
- (a) a recommendation as to whether the area for the referendum should extend beyond the neighbourhood area to which the order relates, and
  - (b) if a recommendation is made for an extended area, a recommendation as to what the extended area should be.
- (6) The report must—
- (a) give reasons for each of its recommendations, and
  - (b) contain a summary of its main findings.

- (8) The local planning authority must then arrange for the publication of the report in such manner as may be prescribed.
- 11 (1) Regulations may make provision in connection with examinations under paragraph 7.

- (3) The authority must also consider such other matters as may be prescribed.
- (4) If the authority are satisfied—

  - (b) that the draft order would meet those conditions, be compatible with those rights and comply with that provision if modifications were made to the draft order (whether or not recommended by the examiner),  
a referendum in accordance with paragraph 14, and (if applicable) an additional referendum in accordance with paragraph 15, must be held on the making by the authority of a neighbourhood development order.
