Dear All,

As Commissioner, I want to ensure communities have the opportunities and are given the platforms to raise the issues that matter to them, the Town and Parish Council survey is just one of a number of ways I do this.

The opinions and feedback provided last year helped to show where improvements needed to be made. I have put extra investment into roads policing as well as a variety of road safety initiatives and introduced a dedicated rural focus campaign.

I am now inviting every town and parish council across West Mercia to complete this year's survey questionnaire and would encourage as many town and parish councils as possible to complete it. Unfortunately, COVID-19 delayed the release of this survey and I understand that it has affected your current meeting arrangements that make your role more challenging but I hope you will still be able to take part.

I intend to compare this year's results to those I received in the previous two years and will be using the results to inform my discussions with the Chief Constable on local policing.

I have also sent this out through the Associations of Local Councils that you may be a member of but I wanted to send this directly to you to ensure you received it and have the chance to respond.

The results of the survey will be available to view on my website: www.westmercia-pcc.gov.uk.

If possible, please complete your survey online, by clicking on the link below – this will take you straight to the survey.

Please submit only one response for your town and parish council.

If you wish to complete the survey 'offline' I have attached a word version of the document to enable you to do so. Please email your completed survey response to: opcc@westmercia.pnn.police.uk or post it to the address given at the bottom of the questionnaire.

Please submit your completed survey to me by Friday 9th October 2020.

I look forward to receiving your completed survey.
